This anthology is dedicated in memory of Tina Downey, our dearest friend, fellow storyteller and firm believer that life is good!

Welcome to audiomachine's Tree of Life: Branching Out, a cross-industry collaborative writing project featuring 26 authors from across the globe whose collective story is inspired by motion picture advertising music production house, audiomachine's Tree of Life album.

During the course of 26 consecutive days, each writer contributed a chapter within 24 hours of the previous installment, spinning the tale in whatever direction they chose, resulting in the ultimate collaborative journey of words and music.

All proceeds of the TREE OF LIFE ebook will benefit the Downey Education Fund set up for Tina's children.

Cover designed by the extraordinary artist and composer, Ryo Ishido.
