From #1 New York Times Bestseller Vi Keeland, comes a new, sexy standalone novel.

It was just a typical Monday.

Until the big boss asked me to make the pitch for a prospective new client.

After two years on shaky ground at work because of my screw up, an opportunity to impress the senior partners was just what I needed.

Or so I thoughtâ€¦

Until I walked into the conference room and collided with the man I was supposed to pitch.

My coffee spilled, my files tumbled to the ground, and I almost lost my balance.

And that was the good part of my day.

Because the gorgeous man crouched down and looking at me like he wanted to eat me alive, was none other than my ex, Gray Westbrook.

A man who Iâ€™d only just begun to move on from.

A man who my heart despisedâ€”yet my body obviously still had other ideas about.

A man who was as charismatic and confident as he was sexy.

Somehow, I managed to make it through my presentation ignoring his intense stare.

Although it was impossible to ignore all the dirty things he whispered into my ear right after I was done.

But there was no way I was giving him another chance, especially now that he was a client
â€¦was there?
